

Trailblazer Adventure Day

Volunteer Now!

Hosted by the
Capitol Area Council and
U.S. Sportsmen's Alliance
April 26, 2008
8:00 am till 5:00 pm
Camp Mabry
W 35th St
Austin, TX 78763

Come share your skills in the following outdoor activities....

Shooting Skills: 5-6 Volunteers are needed to instruct novice shooters on BB, .22, and shotgun ranges. At least one certified instructor is needed per range. Shooters will be using single pump BB guns, single shot .22's, and 20 gauge shotguns or smaller. Volunteers will be teaching basic shooting and gun safety skills.

Archery Skills: 5-6 Volunteers (Bowhunters or target) are needed to teach novice shooters basic archery shooting and safety skills. At least one certified instructor is needed per range. Genesis compound bows will be used along with foam targets and target bails.

Angling Skills: 5-6 Volunteers are needed to teach basic fishing skills such as casting, hook bating, and give the novice anglers time to try out their skills. Some areas do not have areas to fish in so target casting will be the alternate activity.

Fly Fishing Skills: 5-6 Volunteers are needed to teach fly tying, fly casting, and all other basic fly fishing skills. Trailblazer can not provide the needed equipment for this activity.

Trapper Education: Trapper Volunteers are needed to teach and demonstrate the basics of trapping. Displays should be involved including traps, pelts, furs, scents, trapping history, techniques, and other tools of the trade. Allow plenty of time for participants to view displays and ask questions.

Outdoor Skills: Other outdoor skills or exhibits are needed such as; game calling, hunting dogs (retriever dogs, coon dogs, pointer dogs, etc.), boating skills, hunter education, etc....
