QUESTIONS & ANSWERS

Do I need to buy 100 of each target? NO!!!

We manufacture over 120 different targets and let you "Mix and Match" all these targets to get your 100 pieces.

Do I get to Mix and Match targets for price breaks? YES!!!

We do not care how many different targets you buy to get to the price break quantity, just that you reach that amount. All targets we sell are included in this feature.

Can I add targets for indoor and outdoor to get a better price? YES!!!

The more types of targets you purchase, the easier it is for you to reach the 500, 2500, or 5000 price break.

Does MLP charge extra for phone, COD or Credit Card orders? NO!!!

We do not add extra charges for phone or Credit Card orders.

C.O.D. orders do require extra U.P.S. costs
